

Your Apple Blossom Festival Royalty!

The 2013 Apple Blossom Royal Court graced our club with its presence last week. Queen Emily Abbott and Princesses Madi Still and Maggie Chvilicek were poised, articulate and responded to questions from the club like seasoned royalty veterans. The royal court then closed its presentation by serenading our club with a song the young women had written themselves especially for the Apple Blossom Festival.

Editorial by Prez Rob

I went through the badges for our current club members the other day and I realized there were also a number of badges for former club members. At one time these people were fellow Rotarians who for one reason or another no longer attend club meetings. It is possible that all it would take would be a word of encouragement from one of our current members for that person to consider re-joining our club. If you have any information as to the whereabouts of any of the following former members please let Prez Rob know. And, if you happen to see one of these former members, invite him or her to a club meeting as your guest (our club will pay for the guest's lunch).

Soles for Souls

Ivan Christensen, Bealinda Tidd (nee Brady) and I (nee Mahatma) will be attending the District Conference in Kamloops, British Columbia the first weekend in May.

All Rotarians are being asked to donate as many "gently" used pair of shoes that will be collected at the conference and distributed worldwide to those in need. If you have any shoes that "fit" this description, and you are willing to donate them to this much needed cause, please bring them with you to the club meeting. Thank you.
