The Power of Partnership!

The Rotary sign in East Wenatchee is down but not out. Joint efforts by the clubs in the Wenatchee Valley are in progress to resurrect a more permanent up-to-date sign. More to follow in a subsequent issue of the Wenatchee North Poll.

Rotary float that will be unveiled at the 2013 Apple Blossom Parade. This joint effort by the clubs in Area 6 will also be a spotlight project at the District Conference in Kamloops this weekend.

Welcome Jim to WNR!

Our newest member, Jim Heinlein, gave his classification talk last week. Jim took five minutes to talk about himself, his family and interests and then, egged on by Braden Draggoo and Greg Brown, Jim took another thirty minutes talking about insurance for senior citizens. Needless to say, Jim, accompanied by Braden and Greg, will be our guest speaker on senior insurance sometime in the weeks to follow. So, if you have not yet met Jim at Rotary, or on a bike ride or at the Wenatchee Row and Paddle Club, please introduce yourself. Again, welcome to the club Jim!
